

Lee Shippey Writes On Dr. Purnell

I want to pay belated tribute to Dr. George Purnell. The News has already told that he made dental history, having been the first college trained dentist to practice in the West and also in Mexico.

In his 98 years he saw, and helped bring about, elevation of dentistry from a sideline of barbers—the red stripe in the barber pole then indicated the barber shop was a place where blood was spilled in dental surgery—to a highly respected and highly remunerated profession.

Dentists then learned their trade as apprentices and when a dentist of exceptional skill urged the University of Maryland to establish a college of dentistry he was told the university considered it beneath its dignity to create a college for barbers.

THE STUBBORN dentist who had made the suggestion simply mounted his horse, rode to the University of Pennsylvania, made the same request there—and got the same rebuff.

So he drove back to Baltimore, established a school in a private home there, and in the Civil War his pupils did so well that shortly afterwards the University of Maryland opened the first university college of dentistry in the world, and Dr. Purnell was a member of its first graduating class.

BUT IT IS as a dear old gentleman that I like to remember Dr. Purnell. I first met him in Guadalajara in 1927, where he was not only much esteemed but greatly loved by rich and poor because of the suffering he had relieved.

Even in the bandit gang which once held him for ransom there was one who owed him such a debt of gratitude that he was aided to escape. Dr. Purnell had such gentle, kindly ways that Americans, Mexicans, Indians—human beings in general—liked him and trusted him on sight. Wherever he lived, he was a source and a cause of benignity.

THERE ISN'T too much harmony and unity among the Arab states, despite the fact that the motto of each of them seems to be: "One for oil and oil for one—this one."

THERE'S NO accounting for tastes. Some persons actually think Las Vegas is glamorous.

I THINK Sierra Madreans have a right to congratulate themselves on their bus service. As neither my wife nor I can drive, we rely on buses a lot and sometimes the repeated invitation to "take the bus and leave the driving to us" makes us all but froth at the mouth.

On weekends and holidays it sometimes should be "leave the driving to us and we'll drive you frantic."

July 5, when this was written, my wife had to wait more than an hour, in hot sun and without even the aid of a courtesy bench.

Voice of An All-American Teacher Is Heard in Vital Concern

(A LETTER TO THE EDITOR)

EDITOR'S NOTE. — Bev W. Morant of Sierra Madre, a teacher in John Muir High School in Pasadena, has written the following which we believe is of vital interest to every reader of the SIERRA MADRE NEWS. We so recommend.

Dear Editor:

We are doing something about it.

We who teach your young people in the Pasadena School System, this including Sierra Madre youngsters, know that Communism is not good for the United States. We are doing the utmost to make sure that our grandchildren do live under the United States rule, using our proven way of democracy.

At this time a group of 20 teachers is in session every day revising the social studies program and industrial education program so that more will be taught about the undesirable ways that Soviet Russia does things in this world. This shall be done in such a way that the truth about Russian murderers and suppressions shall be brought to the minds of our young people and compared with our better way of life.

WE WILL SHOW that even the Russians have a written constitution that is a farce. We will show that Russia rules by force, murder and suppression. We will show that not one country has voted to be a Communist country.

We will show that 50,000 East Germans defect to West Germany every year. We will show that the Russians have no civil air transportation, only military. We will show that the Russian is not free to travel in his own country.

We will show that the Russian is not free to leave his country. We will show that two and three families are still crowded into three and four room dwellings—even the new apartments.

We will show that Russia may have the largest rocket boosters, but this does not mean she also leads in peaceful engineering and science.

WE WILL SHOW that there are no free elections in Russia as we know them. We will show that there is one party rule in Russia and only a small part of the Russians belong to this Communist Party.

We will show that the Russians would not allow an

Americanism Party in Russia (as we allow a Communism Party here).

We will show that only Communist party members are allowed to hold offices in Russia. We will show that a man or a woman can not choose one's own work or for whom one would wish to work.

We will show that women do heavy laboring work. We will show that all women are expected to work all the time as part of the Russian system.

WE WILL SHOW that Russia has murdered hundreds of thousands of their own people and indirectly hundreds of thousands of others to force their system on others as well as themselves. We will show that Premier Khrushchev and the leaders before him personally caused hundreds of thousands of people to be murdered.

We will show that there is no private business in the Russian country. We will show that only to work for the state is the Russian Communist teaching. We will show that the ancient inquisitions of the early European countries were a picnic compared to the modern Communist inquisition methods.

WE WILL SHOW that workmanship in Russia is shoddy and poorly designed. We will show that no boy or girl in high school can own a hot rod or any other kind of a car at that age.

We will show that instead of Boy Scouts and Girl Scouts the Communist party has a youth group known as the Pioneers and of course it is state directed, and you must belong.

We will show the super-regimentation in the schools—the students can not choose their own direction in life unless they are in the upper 10 or 20 per cent.

We will show that when Premier Khrushchev says to the United States, "we will bury you," he is not fooling—murder is his game.

In general we teachers will teach anti-Communism as we always have but with a great deal more direction in more of our subject matter. We will also show that the American way of life, in the United States, is the best way.

Can You Display An American Flag At Your Home?

These are times when Every Citizen should display the new 50-Star American Flag at every opportunity—Memorial Day, July Fourth, Labor Day, Veterans Day—on every Patriotic Occasion.

THE SIERRA MADRE NEWS has arranged for a supply of the new 50-Star Flags, each equipped with detachable pole and with a holder which can be attached to your porch, house, store or place of business.

These MAY NOW BE OBTAINED at the SIERRA MADRE NEWS OFFICE. The price for the complete layout is \$4.50, this representing their actual cost. We make no profit on these sales.

City Tax Rate May Not Be Hiked; Two Women Will Help Solve Suffolk Tangle

A shirt-sleeved Sierra Madre City Council is in a budget-cutting mood and as a result there is the possibility that when the fund-trimming ends the city tax rate may remain the same as last year, \$1.53, rather than be boosted to \$1.532 per thousand valuation, an increase of 3.1 cents.

This cheering word emanated from City Administrator Lawrence C. Bevington following Tuesday night's Council meeting marked by enlargement of the Parking Committee by the addition of two women members, and by acrimonious exchanges between councilmen, the city administrator and Atty. Noren Eaton regarding the proposed Suffolk St. extension.

THE ENLARGED Parking Committee, now comprising Thomas M. Schwartz, Don Jackson and Carl Hensen, plus the two new appointees, Mrs. Elizabeth H. Johnson, real estate dealer, and Mrs. Hugh F. (Audrey) Colvin, will consider the entire parking situation including the proposed abolition of angle parking in the W. Sierra Madre Blvd. business district as well as the Suffolk extension tangle which has been troubling various city administrations for 20 years without solution.

This includes opening of Suffolk St. from S. Baldwin where the new Post Office is being constructed through to S. Hermosa. News that the tax rate might be kept stationary followed Councilman Severin L. Sorensen's blunt statement that "the people are being taxed out of their homes." His motion that Council urge the County Board of Supervisors to make every effort to hold down expenses and taxes was carried unanimously by Council, with Councilman James F. Abernethy being absent.

IT IS REPORTED that the parks and library funds are being shaved considerably during the budget sessions which will continue until the final budget is formulated. During one juncture incidental to City Treasurer W. Murray Hawkins' yearly report, Atty. Eaton stated that

Swim Team And Arcadia To Compete

The Sierra Madre swimming team, organized for the first time this year, will host the team from the Arcadia pool in a meet at 40 o'clock Saturday morning.

Included will be events in the competitive strokes—crawl (freestyle), back stroke, breast stroke, and butterfly, as well as in diving. Seats will be available for interested parents and friends.

The Sierra Madre pool will be equipped with new lane lines and floats recently purchased for the first home meet. A new wooden bulkhead has also been constructed to even the wall in the shallow end of the pool.

The Sierra Madre team is a member of the California Swimming League which includes teams from the Bainbridge Club (Covina), Covina City pool, Glendora City pool, and La Puente City plunge. The summer meet will conclude with a final league meet on Aug. 12.

TRYOUTS were held for team membership on Saturday, June 24. However, there are still a limited number of places available on the team. Girls are specially needed in all age groups to give the team the strength to meet other nearby teams in the league.

Already the team has competed in two away-from-home meets, one at Glendora last Saturday, July 8, and the other with Covina on Tuesday, July 11.

While the Sierra Madre team lost to Glendora by a heavily lopsided score, many outstanding performances were turned in. In the boys' 9 and 10-year-old division, Jamie Azdard took a third place in the freestyle and a second in the breast stroke. Kathy Brown won the girls' 12-year-old division in the backstroke with an excellent time of 39.1. Bill and Roger Keith teamed up to take first and second in the boys' 12-year-old division.

THEIR FORMER home was in Lawrence, Kan., where Mr. Louk was in the contracting business. Mrs. Louk was a member of the Congregational Church, the Woman's Club, Eastern Star and American Association of University Women.

CLOBBERED! City employes baseballers lost 21 to 17, to a team made up of the coaches and managers of the Little League during their clash last Saturday at Hensley Field, Sierra Vista Park. Here we see Fire Marshal Bert Embree sliding for home—futilely so—and being tagged out by Ray Obazaway, catcher for the Little Leaguers. Chuck Hartman is the ump.

Wife Of Postmaster Louk Passes Away

Services for Mrs. Nina Ashwill Louk, wife of Postmaster Charles E. Louk, were conducted Tuesday at 2 p.m. in the Congregational Church, with the minister, Rev. George W. Lindsay, officiating. Interment was in Forest Lawn Cemetery.

Mrs. Louk passed away Saturday in Sierra Madre Community Hospital following an extended illness. Born in Oklahoma, Mrs. Louk was a graduate from the University of Kansas. She and Postmaster Louk, the latter a former mayor and councilman of this city, have lived in Sierra Madre for 14 years next November.

In addition to the above, the survivors include Mrs. Louk's mother, Mrs. Ora Ashwill of Topeka, Kan.; and the following sisters and brothers:

Mrs. Delphia Bulmer, Fullerton, Calif.; Mrs. Sefa Stanley, Seaburg, Ore.; Miss Ople Stitt, Herrington, Kan.; Mrs. Jessie Allrod, Lakewood, Calif.; Mrs. Dorothy Frankel, Long Beach, Calif.; John Ashwill, Queens, Kan.; Clyde Ashwill, Ojai, Calif.; James Ashwill, Seaburg, Ore.; Lewis Ashwill, Carbondale, Kan., and Mildred Ashwill of Topeka, Kan.

Postmaster Louk resigned as mayor of Sierra Madre when he was appointed postmaster.

Rev. Swengel Delivers His First Sermon

Using as this theme, "I Am Persuaded," and expounding it in cheerful fashion, Rev. Clinton W. Swengel officially took over the pulpit of the Sierra Madre Methodist Church last Sunday morning before a congregation that overflowed into the vestibule.

'Rosy Boa' Is Captured

There's a "Lichanura Roseofusca" living serenely now at the Lester R. (Margaret) Anthony menage, 248 San Gabriel Court, Sierra Madre.

For the enlightenment of the reader unacquainted with reptilian lore, "Lichanura Roseofusca" is more commonly known as "Rosy Boa" which, still further simplified, means that it is a California boa, a constrictor type of snake somewhat akin to their larger brethren in the Brazilian jungles.

This one is three feet long and about 2½ inches thick. Anthony, motoring along Chantry Flats road in the twilight, spotted "Rosy Boa" in the glare of his car's headlight, picked it up and brought it home. Of nocturnal habits, they are harmless if properly handled.

Mrs. Anthony, who is chairman of the Sierra Madre Parks and Recreation Commission, reports that "Rosy Boa" and other non-poisonous snakes should not be killed because they kill pestiferous insects and bugs. Rattlesnakes, however, driven by the present heat wave, are beginning to come down out of the mountains, seeking water and food, and should be promptly done away with.

July 12 Is Marked By Shower, Lighting

BULLETIN

A few drops of rain, plenty of thunder and some lightning, together with a several-hour overcast marked July 12 in Sierra Madre and adjacent area, something unusual for this time of the year.

The disastrous fire which last Thursday inflicted \$40,000 damage to the James Ned Meason home at 165 Highland Oaks, Arcadia, just across the city line from Sierra Madre, and which brought death to a neighbor and hospitalized Mary Shirley, 47, wife of Meason, with first degree burns, focused anew attention to the mounting danger of brush and forest fires and the necessity for conserving every ounce of precious water between now and next winter.

Then, it hoped by City Administrator Lawrence C. Bevington of Sierra Madre and directing officials in other cities in the area, that the present dry cycle will be ended by the hoped-for refreshing and water-restoring rains.

So serious is the situation in Sierra Madre that the city has found it necessary to purchase 600-acre feet of water from the Arcadia Water Basin at a cost of \$18,100.

IT IS HOPED that barring any unexpected emergency this will see Sierra Madre through the year—until the expected December rains. An emergency, such as a series of brush fires due to extraordinary conditions, could, however, play havoc with this prospect.

With a rainfall of 7.18 inches for the year as against 11.65 inches a year ago, the latter much lower than the 15.70-inch normal, some idea of the increased use of water as pumped from the ground in Sierra Madre is seen in the table prepared by Administrator Bevington showing acre-foot consumption since 1953-54. Here are the figures for the fiscal years extending annually from July 1 through June 30 of the succeeding year:

1953-54.....1,863.85 acre-feet

1954-55.....1,824.74 acre-feet

1955-56.....1,906.88 acre-feet

1956-57.....1,838.85 acre-feet

1957-58.....1,756.57 acre-feet

1958-59.....1,910.46 acre-feet
1959-60.....2,070.04 acre-feet
1960-61.....2,328.76 acre-feet

IN OTHER WORDS, the increase in water pumped out of the ground settling basins since 1953-54 is some 464 acre-feet, more appreciable in volume than the average person imagines.

Digging of the fifth well and completion of Mira Monte Reservoir are helpful items, but the city, with four wells, had not thought a fifth well would be necessary until 1964. Well No. 2, however, simply played out and another was considered necessary at a cost exceeding \$30,000.

With this the third year in a row in which rainfall throughout the county has averaged only about 50 per cent or less of normal, statistics compiled by the County Flood Control District indicate that water levels will be lower this fall in all ground water basins except the Montebello Forebay and most areas of the West Coast Basin.

EFFECT OF the drought is nowhere more apparent this year than in the San Gabriel Valley, where average annual lowering in the main basin during the past year has approximated ten feet compared to an average annual lowering of about five feet for the years 1953-57.

Water levels in nearly all wells in the main basin in the San Gabriel Valley are already at or near record lows, and by fall probably will be the lowest on record. Of the San Gabriel Valley tributary basins, all are expected to be lower this fall, and record low measurements are expected to be set in Raymond (Arcadia) from which Sierra Madre recently purchased 600 acre-feet; China, Upper Claremont—turn to page 8

Stir-up U.S. Rally July 15

Music for the first in a series of Wake-up America Rallies, to be held in the Arcadia County Park, Saturday, July 15, will be provided through courtesy of the Arcadia Music Mart, proprietors, Ben Course and Mell Pratt, in cooperation with Dan Stover, organist, according to Mrs. Regina Osterloh, rally chairman.

Posters and package inserts are being distributed by members of the committee planning the affair, and

through leading Arcadia area merchants, according to Bill Swope who is coordinating the distribution.

In excess of 25,000 will be distributed in the San Gabriel Valley area. Final plans for this first rally, which will begin at 8 p.m., will be made at a meeting of the "Arcadians For America" organization scheduled for July 13. Complete program will be announced prior to that time.

IN URGING the largest attendance possible, Lloyd Jones, general chairman of the organization, said that "If our American Way of Life is to be maintained, we must each learn what we can do to combat Communism and then do it."

"This is the purpose of

these rallies and each one will be a source of information and knowledge to all true Americans. I urge everyone to take advantage of this opportunity—make your plans now to attend this rally."

'La Boheme' At Bowl

By Toni Maurin

"La Boheme" really stands among the classics of the operas. The sweet strains woven throughout the entire theme, gaiety of the cafe

scenes, and pathetic finale, all build a picture of student life in Paris as no other artist but Puccini could have done.

That it has endured since its first performance in 1896 is little wonder, because to have heard it once makes you want to hear it again.

No specialized musical training is required to enjoy

opera. At the Hollywood Bowl, Dorothy Kirsten, Marie Gibson, Richard Verreau and the supporting cast will make it come alive to the most uninformed music lovers, under the able direction of Walter Hendl. The only thing necessary, is to be at the Bowl on July 27 and give yourself for an all too-brief time to the music.

THE FOOTHILL Hollywood Bowl committee has arranged for buses and tickets for the performance, but you must act today. Tickets will be \$1.50 and round trip bus fare will be an additional \$1.

Please call Mrs. Malcolm Harris, EL 5-1484, for reservations. Checks may be made payable to Foothill Hollywood Bowl committee. Reservations may be made directly at her home at 1338 Oak Meadow Rd.

Prof. Jackson, with his wife and two sons, are occupying the home of Harry and Mrs. (Bernadeen) Lange at 529 W. Laurel until the end of July. In turn, the Langes are occupying the Jackson home in Honolulu.

The professor, now teaching in the University of Hawaii, was formerly superintendent of the Sierra Madre Public Schools.

90 Guests Enjoy Civic Club Party

More than 90 guests attended the Sierra Madre Civic Club's annual summer party, "An Early California Bar-B-Que," last Saturday night at the home of Mr. and Mrs. Claude H. Brown Jr.

A special feature was the background music of Bruce Smith, organist, and Earl Brown, guitar player. Mr. Smith played almost the entire evening with three fingers on his right hand bandaged because of severe cuts and nine stitches taken following a fall during his early morning milk delivery.

Dancing and cards rounded out the evening, planned by Mrs. John Wilson, chairman; Mrs. Hal Jordan, Mrs. Herbert Struthers, Mrs. Morgan Hammers, Mrs. Gary Rhodus, Mrs. Roy Buchanan, Mrs. Henry Danowski, Mrs. Wallace Karelius, Mrs. James Reed, Mrs. Carl Cheadle, Mrs. Edward Chapman, Mrs. Thomas Pederson and Mrs. Willard Mescher.

Swim Pool Sets Record

Under the direction of Assistant City Administrator Thomas M. Butch, City Council and Parks and Recreation Commission have been advised that Sierra Vista swim pool has set new records. As of June 28, the pool revenue totaled \$6,095, compared to \$2,521 for the comparable period last year. Much of this return has been due to the assistant city administrator's initiation of season (family and individual) passes which to date have sold 315.

Swim classes, with Mrs. Myrt Waite directing, show an increased attendance over last year when 575 children received instruction.

"Happy Birthday" was sung when she arrived, honoring her 30th birthday anniversary which was July 6. She was then informed, "Today, Agnes Wolcott, This Is Your Life." The program started with Mrs. George P. Kistner of Woodland Dr. presenting a corsage to Miss Wolcott.

A message was read by a cousin, Horace Wolcott of Florida, by his grandson, Robert Wolcott, who attended with his parents, Mr. and Mrs. Oliver Wolcott of Claremont. Mrs. Oliver Wolcott read a note from her sister-in-law, Mrs. Martin Plotnick of Carlinville, Ill.

Mr. and Mrs. Frank Reid told of having gone to Pomona College in 1900 with Miss Wolcott, her sister, Lucy, and brother, Vernon.

THE GUEST OF HONOR started with the Long Beach School System in 1904. Her first few months were spent teaching 4th and 5th grades at the old Atlantic Avenue School. She was called to substitute at Polytechnic High and then stayed on as mathematics teacher until 1907. At this time she went to Santa Monica High School as head of the mathematics department.

A picture was presented showing the old rooming house she stayed in during her stay in Santa Monica. Miss Wolcott returned to

Lindsay, assisted by Mrs. Douglas Bolitho, display puppets which they have made to assist in their teaching of the youngsters attending. From the left: Mrs. Edward J. Murphy, Mrs. Douglas R. 'Today, Agnes Wolcott, This Is Your Life' Party for Octogenarian Real Success

A surprise get-together was given Miss Agnes Wolcott of 10 Vista Circle Dr. last Saturday, starting at 2 p.m., in Pritchard Hall at the Sierra Madre Congregational Church by her neighbors.

Many retired teachers of these years sent greetings and regrets that they could not attend. Miss Effie Stevenson of Long Beach told of having Thanksgiving dinner 50 consecutive years as Miss Wolcott's home. Other teacher friends from these days at Polytechnic High attending were Misses Mattie Paine, Chole Anderson from Long Beach, and Misses Flora Reed, Sara Peppie, Minnie Young and Romela Adams of the Southern California Teachers Home of Pasadena.

FORMER STUDENTS attending were Mr. I. M. Spaulding of Los Angeles of the 1908 class; Mr. and Mrs. Karl Houtz of the 1923 and 1925 classes came from Fallbrook, and Clover Lawry of Long Beach. Mr. and Mrs. George Craig II from Long Beach sent a telegram of congratulations.

In 1918, Miss Wolcott made a vocational training survey and her plan was incorporated in the instructions sent out by the State for establishment of Continuation Schools. The 1919 Legislature passed the Part-Time Education Act. A pioneer in the field of education continuation for employed young people, Miss Wolcott was chosen to be principal in 1920 of the Continuation School.

Many messages also were received and read from the retired teachers on vacation from this school.

Those present representing the faculty dating from 1920 to retirement in 1940 were

Mr. Charles T. Walters of Norwalk; Miss Pearl Palmer of Long Beach; Mrs. Ruth Walder and Mrs. Ethel R. Bevan of Long Beach; Mrs. Bevis Spaulding, secretary from 1923 to 1926; Miss Okla Wood Hahn, secretary from 1926 to 1936; and Mrs. Walter E. Nelson, secretary of Miss Wolcott's last two years.

Tom Sheridan and family of Long Beach, one of the veterans who came to the principal of John Dewey High to say goodbye when going off to war in 1939, upon returning registered and graduated in Miss Wolcott's last graduating class in 1946. Other students were Dr. Gerold E. Jarvis with his wife and son from Lakewood, and Anderson Gassaway of Long Beach.

"THIS IS YOUR LIFE" continued with the reading of a telegram from Rev. and Mrs. Carl Smith of Fullerton by Rev. George W. Lindsay and his wife of Sierra Madre Congregational Church. Other church members there were Mrs. Rudolph Hartman, Mr. and Mrs. Leslie K. Chapman, Mr. and Mrs. Franklin Franco of Sierra Madre, and Mrs. Helma Leach of Pasadena.

who read a note from Mrs. Charles Irwin of Santa Barbara; Leland Smith and Mrs. Bartolomeo of Monterey; Mrs. Douglas Delahooke, niece of Fullerton; Mr. and Mrs. Robert Smith of Pacific Palisades; Mrs. Sidney Kittrell Jr. of Sierra Madre, were all from her Junior Sunday School classes from 1951 to 1956.

Miss Wolcott was born in East Taunton, Mass., in 1881. In 1884 her father, a Congregational minister, brought his family here by train to Ontario. Late in 1891 he organized and built the first Congregational Church in Marengo, Calif., which later was moved six miles to Sunnymead.

MISS WOLCOTT enjoyed seeing a picture given by Mrs. Russel Wait of the original church with the addition of a new wing. Mrs. Wait also gave her a book of church minutes and records beginning June 11, 1891. Mr. Wait was a former elementary school classmate of Miss Wolcott.

Mrs. Albert Wait Bisbee, daughter of Mr. and Mrs. Russel Wait, the only couple still living in Moreno knowing Agnes Wolcott, was responsible for bringing Mrs. E. W. Glen, Mrs. Rosa L. Moore and Mrs. Russel Wait to Sierra Madre.

Miss Wolcott is looking forward to having Mrs. Jennie Lynn Pond and Mr. Haven Bishop, friends from elementary school days, visit this coming Saturday.

A lovely turnout of neighbors brought up the conclusion of the program. Misses Gladys Graves, George Kistner, George P. Kistner, Joseph Godley, Blanche Topping, Joseph Nash, Pierre Touchon, Larry Johnson and Mr. and Mrs. Joseph T. Oster, all of Sierra Madre. Other out-of-town guests were Mrs. Edwin Godley of San Gabriel; Miss Joanne Kistner and Mrs. Ethel Kistner of Sunland; Mrs. Betsy Melroy and daughter, Alice, of Artesia; Mrs. Robert Laude-man of Temple City; Miss Jean Laudeman of Pasadena, turn to page six

Hastings Hill

By Joyce Wenger
SY. 8-4777

"Good Girl Scouts are good Scouts the world over," as the saying goes, and this was again proved in Hastings Ranch last week!

The Stanley Wochnick's poolside was a successful international meeting, which while not of the summit variety, still was basically an international exchange of information, ideas—and fun.

Troop 372 (which is a successful merger of 8th grade girls from both Marshall and Wilson Junior Highs), entertained Girl Scouts participating in the Heritage Trail Tour of America.

The girls, exploring the country by bus, are from Germany, Canada, the Phil-

ippines and the United States.

Our local Scouts were definitely impressed to hear each girl tell of the tests and qualifications passed before being selected for the tour. The 18 girls are traveling with two chaperones and a reporter from National Scholastic Magazine.

The group are entertained by the local Scouts in each city they visit and are housed individually with local families where they have the additional opportunity of making lasting friendships with our Scouts.

For instance, Michelle Tweedie of Sierra Madre had Ulrike Jander of Stuttgart, West Germany, as her guest. Joanne Vorster of

Sierra Madre had Joyce Ann Sieker of Manitowoc, Wis., as her guest.

AS ONE LEADER remarked later, "the American and foreign Scouts are remarkably homogenous, which shouldn't be surprising since after all that's one of the goals of scouting."

Hastings Scouts who were pleased as punch over the honor of entertaining the "Heritage Tour" were Marilyn Rust, Hannah Elliott, Carol Snuffer, Susan Stoll, Linda Wochnick, Mary Savage, Carol O'Brien, Barbara Cameron, Sharon Breyer, Phyllis Malcomson, Charlene Kalagian.

Also Sheila Shaw, Martha MacEachen, Linda Welsh, Rosemary Hellmers, Judy Phelps, Jean Gardiner, Janet Gasper, Jill Feuerhelm.

Their talented and hard-working leaders are Mrs. Henry Hellmers and Mrs. Floyd Elliott.

THE SPONTANEOUS potluck supper at the William Morzov patio was a genuine success. Families participat-

ing were the Neil Rowleys, Al Berghs, Cary Stephens and Herb Nikolas.

By the way, the Morzovs celebrated July Fourth in a big way. Young Peter exploded with measles, and their dog gave birth to five puppies! Emily and Bill are kept busy nursing the adorable Collie pups with baby bottles, and expect to offer them for sale in another month.

NEWCOMERS at 3745 Cartwright are Lilly and Lew Kennedy and 8-year-old daughter Laura. Mr. Kennedy is in business with the Doug Kennedy Insurance Company. Although the Kennedys lived in the Southland some years ago, they are more recently from Seattle, and most happy to be back, they say!!

THE CARIBBEAN mood prevailed when Ivan and Wally Sloan of Riviera Dr. recently hosted a Bon-Voyage Party for Annabetty and Dick Goldman, Carolyn and Bert Kellin, Rose and Bob Olin. These fortunate cou-

ples are cruising aboard the luxury liner, Oriana, through the Panama Canal to Bermuda, with stopovers at Acapulco and Jamaica.

I IMAGINE they're still aglow over the Sloan's party. Guests were appropriate Caribbean costumes, enjoyed swimming, dancing and sipping a luscious rum drink colorfully served in pineapples. Then topped off the evening by trying their skill at limbo!

Invited guests were Messrs. and Mmes. Sam Weinstock, Nat Miner, Bernard Kievan, Fred Kievan, Mac Friedman, Al Friedman, Dan Leibl, Sy Alpert, Si Epstein, Jack Resnick, Asher Rahab, Howard Levine, Irv Brown.

KATHY PERRYMAN, daughter of the A. W. Perrymans of 3685 Fairmead, is proud recipient of a letter from President Kennedy.

Some weeks ago her 6th grade class was assigned the job of writing to the President. "Send them off if you like," Mr. Steffes told the

class, and Kathy did just that. Kathy's letter, which indicated maturity beyond her young years, expressed confidence in Mr. Kennedy's ability to deal with the nation's problems.

Mr. Kennedy replied that her thoughtful letter meant a great deal to him and expressed his thanks.

TRAVEL NEWS: The Stephen H. Strople family has just returned from two weeks at Lake Gregory. Journeying a bit further, to Cleveland, Ohio, were Mr. and Mrs. James Mayer. Peggy and Joseph Smyth spent a few fun days in San Francisco.

Sales-Use Taxes
Up 3 Per Cent

Sierra Madre's share of the state's distribution of local sales and use taxes for the final second quarter of 1961 totals \$51,029 as against \$49,550 for the comparable period a year ago, according to an announcement by the State Board of Equalization. This represents a 3 per cent increase.

VILLA VIEWS

I got thinking about traveling and how you knock yourself out on sightseeing buses seeing all of the wonderful places of interest in every new town.

This summer I am going to start out and discover my own area. We have so many wonderful places of interest in and around Los Angeles.

All you have to do is pick up a travel pamphlet of the Los Angeles area to hear it described in glowing terms. For instance, there is the Huntington Memorial Library. You'll find a collection of paintings, objects d'art, books and gardens that attract tourists from all over the world. What's more, it's FREE.

If you were to set about and ask the next ten persons on the street if they have been there I'd venture to say five would answer "no." It is too available. Then there is the Arcadia

Arboretum with its magnificent paintings and displays. Ten minutes or ten hours spent there and you come away happy and eager to go back. Every tourist wants to go there, and it, too, is FREE.

There are so many more attractions right here at home that would fill a summer and cost no more than the price of gasoline. New motto for the year—See the Los Angeles Area First!

Mr. and Mrs. Harold Berg of Vosburg recently gave a going-away party for Mr. and Mrs. Milton Kelly who are taking a two-month tour of Europe. The table was decorated with gaily colored travel folders to accent the occasion. Guests were Mr. and Mrs. Orville Quarberg, Mr. and Mrs. David Quarberg, Mr. and Mrs. Ray Miracle, and Mr. and Mrs. S. Sheldon.

Jennifer Lackey, daughter

of Mr. and Mrs. Ira Lackey of Old House Rd., celebrated her 13th birthday anniversary last week. The girls were invited for luncheon, swimming and games. They played ping-pong, badminton, jai alai, and croquet during the afternoon.

The group included Wendy Lance, Penny Johnston, Chris Chapman, Katie Blair, Julie Franz, Sherri Maurin, Teryl Willis, Cynthia Ziegler, Andrea Phelps, Virginia Calloway, Ninda Bushnell and Margaret Russell.

The B. A. Rogers of Pasadena Glen are home again after a long weekend at their Big Bear Lake cabin.

Come to a "Pop and Pop" party was the invitation issued by Lee Harris, son of Mr. and Mrs. E. Marshall Harris of Sierra Madre Villa. Some of the neighborhood gang included Jean Gardner, Ronny Fox, Kathy Baugh, Johnny Sourenman, Ed Vanniman, George Amthor, Laurel Horne, Doug Holmes, Randy Cyphard, Judy Phelps, Susan Warnick,

Mr. and Mrs. Alexander Ebeid of Berhite are happy to announce the birth of their fifth child, Alexander Tremaine Ebeid, II. He was born on June 30 at the Huntington Memorial Hospital and weighed in at 6 pounds, 10 oz.

This young man has quite a reputation to live up to. He bears the name of Gen. Richard Tremaine, an ancestor in the Confederate Army. Matter of fact there is a statue dedicated in the general's honor in the South. To further honor him, his great aunt, the widely-known artist and writer, Mrs. Edna Roys, has written a three stanza poem announcing his birth.

He has quite a family at home. There is Catherine, 13; Gregory, 11; Christine, 9 and Nowal, 2½.

Dr. and Mrs. John Evans of Clarey Lane had their fourth Annual Independence Day breakfast for friends and neighbors on the Kinneola Hill. There were more than 100 people coming and going through the entire morning.

The menu included a large variety of fruits and juices, ham, pancakes, eggs in toast cups, and of course plenty of steaming coffee. The tables were set up in the yard overlooking the pool area.

Mr. and Mrs. Karl F. Deitzel of Meyerloa Lane hosted a large Fourth of July picnic and swimming party. Their guests were Mrs. L. T. Greiner, Mrs. Neal Patterson, Mrs. Harry Pulaski, Mrs. Russell Stuart (all their husbands had gone off on a trip together), Mr. and Mrs. Bill Simm, and family, Mr. and Mrs. F. Wayne Furstenberger, F. Furstenberger, Sr., Edward Meyer, Dr. and Mrs. John Allin, and family, Mr. and Mrs. Laurence A. Dietzel, and Mr. and Mrs. Joseph Logsdon.

Outer-Space Party Held

Patrick Shuster, who will be 6 years old on July 14, celebrated his birthday anniversary last Saturday at the home of his parents, Mr. and Mrs. William B. Shuster of 57 E. Grand View, Santa Anita Highlands.

Pat had his party one week ahead of schedule because his older brother, Michael, left for camp on Sunday and, of course, wanted him in on the fun.

Eighteen young friends who helped Pat celebrate were Gary James, Joy Graves, Nancy Julian, Don Charles Eubanks, Stacy Sanford, Kirtis Schuster, Bradley Taylor, Kathleen Richards, Susan Lietman, Don Kenney, Emily Jo Brooks, Sandy Walker, Edward

Chernow, Peter Fleming, Van Schultz, Patti Sue and Brian Gunther and his brother Michael.

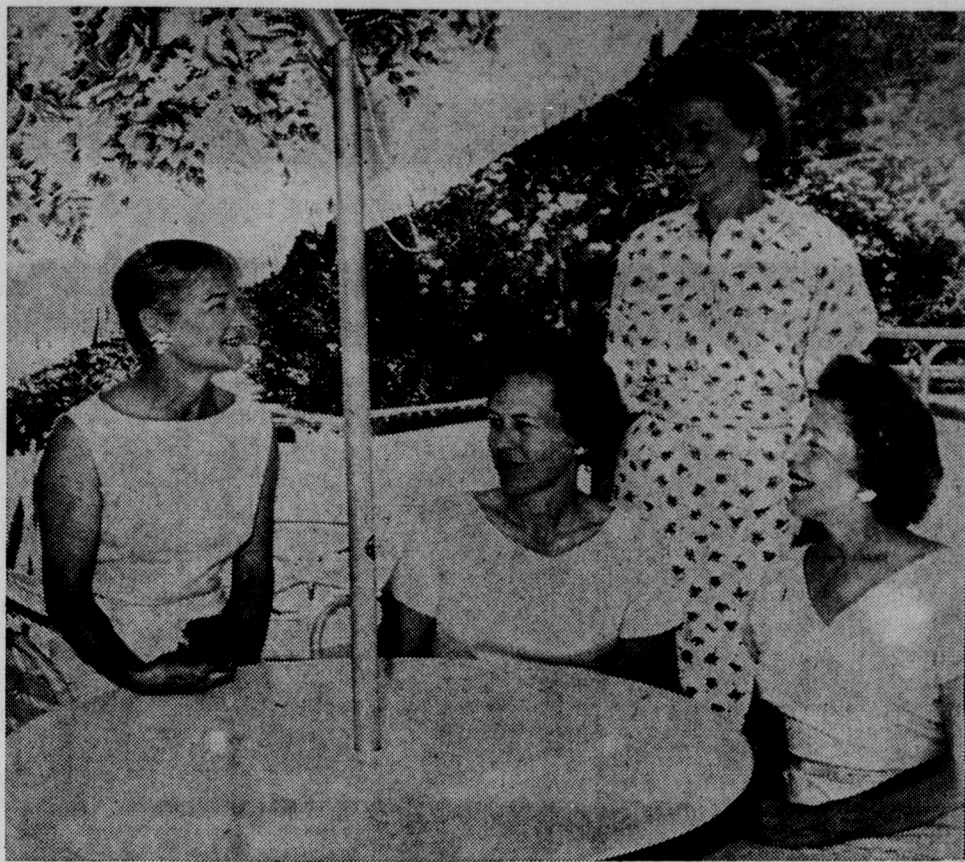

Theme was "Outer-Space" with each young guest wearing a replica of a space helmet. There were individual miniature "Satellites" cupcakes decorated with spikes of candies and coconut and a large birthday cake trimmed with spacemen, also plenty of ice cream, and games were played in the Shuster back yard.

Las Companeras Bridge Luncheon

Members of Las Companeras organization of Upper Hastings Ranch will have a bridge and canasta luncheon on July 19 at the home of Mrs. Alan Stearns, 1701 N. Country Lane, Pasadena.

Chairman of the luncheon is Mrs. Harlan Dunn, assisted by Mrs. William J. Murphy.

Many a man wins an argument at the expense of losing a friend.

NEW OFFICERS of the Hasty Hens discussed plans for the coming year during a recent poolside luncheon at the home of the club's president, Mrs. Howard H. Mackenzie of Greenhill Rd. Seated are Mmes. Harold R. Sweet, treasurer; Daniel L. Fletcher, vice president; Charles A. Day, secretary; standing, Mrs. Mackenzie.

'100 and 1 Ideas' Exhibit Is Scheduled

"A Hundred and One Ideas" is the theme of the free exhibit to be staged by Pasadena Federal Savings and Loan Association at its East Pasadena office in the Foothill-Rosemead Shopping Center from next Monday, July 17, through July 28, according to Bailey Bishop, manager of the Home Improvement Loans Department.

The ideas—for which the round figure 101 is a conservative estimate—will be in the realm of improvements of the home and its surrounding outdoor area ranging from simple landscaping suggestions to complete remodeling of the entire house.

The span between will cover such projects as revising interior color schemes, wall and floor finishes, and other decorating ventures, plus illustrations of their use along with the quantity of free factual material such as folders, brochures and plans filled with helpful suggestions.

The exhibit will be open during regular office hours, 9:30 to 4, Monday through Thursday, and 9:30 to 6 on Friday in the Foothill-Rosemead office of Pasadena Federal Savings.

Kiwanians Hear Expose On Mental Health Rackets

Thomas Sullivan of the Free Enterprise Department, Coast Federal Savings Association, clearly exposed "The Mental Health Racket" at Tuesday's meeting of the Sierra Madre Kiwanis Club.

He pointed out that under the laws of California, New York and other states, it is possible to bring about 72 hours' detention in a mental institution of any person accused of being mentally unstable by anyone.

This can be done, he said, without the regular legal and medical processes ordinarily used in the affairs of mankind in countries not under Communist control.

This, he said, is designated by Communist leaders as "psycho-politics" in their overall plan to rule the world. He quoted Beria, former head of the Soviet secret police, as saying "psycho-politics" must work hard to produce maximum chaos in the field of mental health. He must labor to increase the personnel and facilities of mental healing "until the entire field of mental science is entirely

dominated by Communist principles and desires."

AS A PRIME part of this national threat to our leaders, especially those strong Americans fighting Communism, the plan is to use thousands of acres in Northern Alaska for the confinement of loyal Americans wrongfully incarcerated—a sort of a Siberia on the American Continent.

His talk was well documented, including questions submitted to school children in Pomona and other Southern California communities, which tends to destroy the child's faith in God and country.

In this section of his talk, Sullivan quoted from the report of a joint committee of both houses of the California Legislature and recently released.

Swengel's 1st Sermon (Continued from Page one) Pheeters, newly appointed district superintendent at Tucson, Ariz.

Rev. Swengel's wife, Mary; daughter, Melissa, and son, Peter, of Anaheim, were in the congregation and afterwards stood with Rev. Swengel in the receiving line as hundreds of parishioners greeted them.

The Swengels will be guests at a reception tomorrow (Friday) evening at 7:30 o'clock on Parish House terrace. The Woman's Society of Christian Service is sponsoring the welcoming party.

Nursing Course Is Open at PCC Pasadena City College announces enrollment is in progress for the September class in Vocational Nursing.

Requirements are: high school diploma or equivalency test, good health, satisfactory rating in a pre-entrance test, and purchase of necessary textbooks and uniform equipment.

Wilson's Visit Mr. and Mrs. David Wilson of 1863 Elevado, Santa Anita Highlands, are on a trip through California, Oregon and Washington state. They'll visit in San Francisco, Portland and Seattle.

Mrs. (Jane) Wilson will visit their long-time friends, Mr. and Mrs. Rex Rutherford, in Tacoma. The Rutherfords are former Sierra Madreans.

WILSONS Visit Mrs. J. W. Johnson, chairman of the recent rummage sale, reports it was a success and thanks all who helped.

The Arcadia Republican Women's Club, under leadership of Mrs. George Gallo-way, is one of the 39 organizations sponsoring the "Wake Up America" rally, first of which is to be held on July 15 at 8 p.m. at the Arcadia County Park.

LUNCHEON will be served following the meeting. Reservations may be made by calling Mrs. C. O. (Bobbie) Porter at Hillcrest 75418. Members and guests who do not want to stay for luncheon are welcome to come and hear Lanterman speak at 10:30 a.m.

Club Will Hear Talk by Lanterman Frank Lanterman, assemblyman from the 48th District, will be guest speaker at the monthly Arcadia Republican Women's Club meeting Thursday, July 20, at 10:30 a.m. in Eaton's Restaurant.

Assemblyman Lanterman will briefly outline and review what happened in the six months' session of the 1961 State Legislature and explain the new reapportionment plan for California.

This meeting is of importance and all interested Republicans are urged and welcome to attend.

LUNCHEON will be served following the meeting. Reservations may be made by calling Mrs. C. O. (Bobbie) Porter at Hillcrest 75418. Members and guests who do not want to stay for luncheon are welcome to come and hear Lanterman speak at 10:30 a.m.

Capt. Henry Neutzel, Back In Reserve Training, Flies 5 Times to West Germany

Uncle Sam is getting his "fly boys" ready for any eventualities.

Men are being called back for Reserve training, especially in the Air Corps, including Capt. Henry B. Neutzel, World War II veteran and former Sierra Madre Councilman.

In the past few weeks, Capt. Neutzel, called back into service for refresher training, has been in charge of a Lockheed Constellation transport making five round-trips between McGuire Air Base adjoining Ft. Dix, close by Trenton, N.J., to the airfield at Frankfurt Rhine-Main, West Germany.

ON EACH FLIGHT, Capt. Neutzel's plane carried 95 passengers, mostly veterans going to and from West Germany, their wives and children, and a crew of nine, including two engineers, three pilots including himself and three women stewardesses.

On the last trip, Capt. Neutzel's plane touched first at Frobisher Bay in Greenland, and then flew over the Polar Route to Los Angeles.

Leland Marsh's Reception Guests

Mr. and Mrs. Leland P. Marsh, of 657 W. Grand View, attended a reception given at the home of Mr. and Mrs. D. A. Gehlke of 1212 Dover St., Newport, announcing the engagement of their son Robert to Sharon Massey of Seattle, Wash. The group was taken to Corona Del Mar for dinner.

While in the Navy Robert served as electronics technician on a ship that visited both the North and South Poles within a year.

Here 41 Years, Nurse Is Dead

Mrs. Josephine Elizabeth Marr, a nurse, of 204 E. Sierra Madre Blvd., a Californian since 1913, and Sierra Madre resident for 41 years, passed away suddenly at her home on July 11.

A member of the Congregational Church, Mrs. Marr worked as a practical nurse in hospitals and private homes. A native of Constantine, Mich., Mrs. Marr is survived by a sister, Mrs. Elizabeth Dingman of Pasadena, and by Mrs. John Heffelfinger of Indiana, Pa., and Dr. C. H. Brown of South Pasadena.

Services will be at the Congregational Church Friday at 11 a.m., with the minister, Rev. George W. Lindsay, officiating. There will be private inurnment in Forest Lawn Cemetery, Glendale.

Roof of Garage Damaged by Fire

Sierra Madre fireman last Thursday quickly extinguished a fire which damaged the garage room and a portable patio roof at the Samuel J. Puma Jr. home at 1920 N. Santa Anita. By the time the firemen arrived Mrs. Puma, using a garden hose, had the flames well under control.

Record Dividends By Glendale Fed.

Glendale Federal Savings and Loan Association paid more than \$3,175,000 of dividends to its 128,000 savings customers during the second quarter of 1961, it was announced by Charles Wellman, president.

The record total was based upon Glendale Federal's current 4 1/2 per cent dividend rate which the board of directors voted to continue during the coming quarter, Wellman said.

Total dividends paid during the first half of the year came to \$6,320,000, nearly \$800,000 or 14 per cent ahead of the \$5,540,000 total for the first half of 1960, he said.

WHY LIVE IN THE PAST?

...when it costs so little to live better electrically

Less than 5¢ worth of electricity will cook three meals for a family of four; dry the laundry; or run the refrigerator for 24 hours.

Hard to believe? Perhaps. But true, and here's why:

1. Today's electrical servants are the most efficient in history.

2. Electricity is today's biggest bargain—still priced at 1939 levels.

LOOK AT THE TREND—Electricity does twice as much for you as it did 10 years ago. And 10 years from now, it will do twice as much again.

LOOK AT TOMORROW—You will dry-clean your clothes right in your closet with electrically-produced ultra-sonic waves. You will mow your lawn with a bladeless mower, shop by two-way TV-telephone. And this is only the beginning of the wonderful things to come.

SCIENCE IS DEVELOPING NEW SOURCES OF ELECTRICITY

American industry recognizes that the demand for electrical energy will soon reach staggering proportions—that the future is all-electric.

That is why today, more than ever before, practically all segments of industry are channeling tremendous effort toward one imperative, common objective: to be ready for the all-electric future by improving existing methods and finding new ways of producing and delivering electricity; by increasing the efficiency of electrically operated products; by expanding the many ways electricity can serve mankind.

The electric industry, of course, continues to be in the forefront in this research. And logically so. Electricity is our business.

We have already produced electricity from solar energy, from fuel cells, and from nuclear and other sources.

Whatever the source, electrical energy is limitless, and Southern California Edison will continue to bring you an abundant, dependable supply at the lowest possible rates.

Why be half-electric when the future is all-electric?

When you buy a range, clothes dryer, air conditioner, water heater or home heating—why gamble with the future? Be 100% modern, 100% electric.

When you buy a home, WHY BUY BUILT-IN OBSOLESCENCE? Go all-electric.

Look for this emblem. It will look out for you. When you see the Gold Medallion Home emblem, it means that you've found a total-electric home. It represents tomorrow's living today. And it means an amazing future for you—an all-electric future.

You can live better electrically today.

Why live in the past?

EXTENSIVE DAMAGE inflicted by fire at the James Ned Meason home at 165 Highland Oaks, Arcadia, just across the line from Sierra Madre, is shown in photo. Three rooms of the large residence were practically destroyed.

Forest Fire Peril (Continued from Page one)

Heights, Wayhill, Glendora, Puente and Monk Hill Basins.

Forecasts indicate that record lows will not occur in San Dimas, Live Oak, Foot-hill and Lower Claremont Heights Basins.

DURING 1959-60 precipitation was only 56 per cent of normal and during 1960-61 it is about 39 per cent of normal thus far. Runoff from the San Gabriel Mountains in 1959-60 was only 15 per cent of average and will probably be only 12 per cent of average during the 1960-61 season.

Supervisor Frank G. Bonelli emphasizes that the picture is especially distressing when it is realized that 50 per cent of the water used in the Southland is pumped from underground supplies.

THE FIRE at the Meason home, which brought one piece of Sierra Madre apparatus to the scene as a "Standby" in case another fire started in another part of Arcadia, apparently had its origin in the kitchen where Mrs. Meason was

working, according to Arcadia Fire Chief Lawrence J. Way. Mr. Meason, an architectural engineer, was at his work in Los Angeles.

A next-door neighbor, Harold Baxter, 73, of 1693 Highland Oaks, endeavoring to fight the fire, collapsed and was dead of heart failure by the time Arcadia Methodist Hospital was reached.

Mrs. Meason fled the house into the backyard. Taken first to Arcadia Methodist Hospital, she was later transferred to Huntington Memorial Hospital. She suffered first degree burns about the face.

The loss, centering in the kitchen and living room, was increased by destruction of valuable antiques and paintings. There was less damage, mostly from smoke, to the three bedrooms.

Swim Team Meet

(Continued from Page one)

15 and 16-year-old 50-yard breast stroke.

OTHER POINT winners in the Glendora meet were: Girls, 9 and 10 — Karen Williams, third, 50-yard back; girls, 11 and 12 — Mar-

garet Keith, second, 50-yard free, and second, 50-yard breast; Kathy Brown, third, 50-yard butterfly; Boys, 11 and 12 — John Nickoloff, third, 50-yard freestyle; Girls, 13 and 14 — Penny Ward, second, 50-yard back, and second, 100-yard freestyle; Boys, 13 and 14 — Riley Keith, third, 50-yard back, and third, 50-yard breast; Mike Bowler, third, 50-yard butterfly; Girls, 15 and 16 — Laurie Zura, first, 50-yard back, and first, 50-yard breast; Boys, 15 and 16 — Bill Keith, third, 100-yard freestyle; Roger Keith, third, 50-yard back, and second, 50-yard breast.

The schedule for the future includes two more home meets. The next to be held at the Sierra Madre pool will be one Saturday, July 22. This will be a three-way meet with swimming teams from San Gabriel and El Monte.

The last home meet to be held at the home pool will be on Saturday, July 29, against La Puente.

Council Meeting

(Continued from Page one)

City Administrator Bevington, at one time, opposed popular election of the city clerk, seeking to make it an appointee post under his direction. Bevington denied this.

Another point made by Atty. Eaton was that the notice for an adjourned meeting of Council following the last regular session was given out as July 7 when in reality it was held on July 6. Explanations were made that this was a mistake through a typographical error and the Council's minutes were corrected.

J. W. SNYDER of Los Angeles, representing the Santa Fe Railroad, explained his company's desire to acquire the Western Pacific Railroad, a move opposed by the Southern Pacific.

His contention that there should be two parallel roads in Northern California, the combined Western Pacific and Santa Fe, and the Southern Pacific, was endorsed by City Council through passage of a motion to this effect. Previously in the day similar approval was given by the Sierra Madre Chamber of Commerce and the Pasadena City Government.

The Suffolk St. extension problem brought on a lengthy exchange between councilmen and Atty. Eaton. The latter, representing Carl Hansen who opposes the opening by contending he has not received a fair deal from Council, charged that the proposed opening would benefit only a few property owners rather than the general public.

COUNCILMEN, including Mayor W. Webster Vannier and City Atty. Charles R. Martin, claimed this is not so and that the condemnation proceedings which had been ordered and which are now held up pending action by the Parking Committee, shows that move is for the general public benefit.

Mrs. Johnson urged that

if the street is opened the parking premises be retained. She cited the example of Arcadia where this was eliminated and the business district "immediately began to die on the vine."

Plans for the proposed Bonita St. sewer extension were presented, approved, and the improvement district ordered.

Ascension Scene Of McDonald and Bellerue Nuptials

The Church of the Ascension was scene of a beautifully arranged ceremony in which Miss Sally McDonald and Daniel Powers Bellerue exchanged marriage vows in the presence of the immediate families and with the rector, Rev. Harley G. Smith, officiating.

The bride is the daughter of Mr. and Mrs. Jack Henry McDonald of S. Oak Knoll Ave., San Marino, and Lo Jolla, and the bridegroom the son of Mr. and Mrs. Victor Lowen Bellerue of Westwood.

A reception in the McDonalds' San Marino home followed the ceremony. The young Bellerues will be at home in Los Angeles until the bridegroom completes his studies at USC.

Just 'A 'Pat' Cliche'

Governor Edmund G. Brown has come on still another cropper — his administration has been full of them since the second day in office when he permitted his executive secretary, Fred Dutton, to make known, through Washington channels, that he was a candidate for the Democratic Presidential nomination.

Evidently irritated by the critical spotlight turned on his reelection campaign by Republican and labor spokesmen, the Governor struck back at one of his tormentors, Mayor George Christopher of San Francisco. He charged the mayor with unethical conduct for talking about state affairs while holding a nonpartisan office. Mayor Christopher promptly recalled that it wasn't unethical for nonpartisan District Attorney Pat Brown to run for state attorney general a few years ago. Then, in a Town Hall speech in Los Angeles, Mayor Christopher added:

"MR. BROWN must remember that we political office holders are not royalty. Certainly any administration's record requires comment from all thoughtful citizens."

The mayor further recalled that it was only a few weeks ago that Governor Brown was urging Santa Clara University graduating seniors to mount the public ramparts in criticism of the status quo—even if it meant they felt compelled to criticize the Governor himself.

In view of Governor Brown's recently indicated sensitivity to criticism, Mayor Christopher observed, it would appear that he doesn't really want public attention called to the goings-on at Sacramento, and that his stirring challenge to the students was simply "a 'Pat' cliche'."

The Earth, Stars..and Man

The world is all right. The quarrels are among men—who forget that ideas have their roots in one of two places, in the earth and in the stars.

"Last night I heard a long harangue by a man who is full of the world's ills, and today I took a walk up the mountainside and found that though a hundred things may be wrong, a thousand things are right and completely in order."

Once in a spell there is a naturalist imbedded in the good earth but who sometimes treads the stars, and who tells us of the simple things—things which add to the integrity of men's souls, if they will but read and reason. Such a man is Hal Borland who weekly for some 16 years now, writes the "Back to Nature" editorial for the New York Times, and who lives and writes and farms on 100 acres of his own in a Connecticut valley, not far from Massachusetts.

Borland writes words and resurrects ideas as old and fundamental as time itself, words and ideas refreshing to men's souls, especially in these days when men need anchor stones for their faith.

"IF THERE is integrity in the soul of man," he writes, "it must reveal itself when Spring turns the year. I may fuss and delude myself all Winter, but come Spring and I must face my own truth if there is truth in me. I must believe in eternal things. I must understand something of the flow of life and time."

"The big issues of this world are between man and man, not between man and his environment. If man could only live at peace with his own kind he would have no reason to quarrel with the world around him. I find no vindictiveness in nature, and I am as aware as anyone of hurricane, tornado, flood, drought and earthquake. Man's morality and man's codes have no more application to the sun and seasons, the rain and the earth's fertility, than do his esthetic concepts to the pattern of a sunset."

"I went out tonight to stand and watch the stars, and a sense of peace came over me. I felt a part of the universe, a sentient, but lesser part; and that feeling is fundamental of the dignity of man. I am, somehow, a part of the great rhythm that flows through this universe. There is my source, my origin. My own pulse is such a rhythm, and quite probably the rhythmic impulse in my brain, which constitute thought, are also a part of something far greater than the individual. I am not sure of the purpose of man, any more than I am sure of the purpose of the stars; but here we are, and there they are, and among us there is a discernible order, a continuity. Recognition of that is perhaps enough for me during my tenure here."

Here is a faith that prompts acceptance of the Great Order of Things, a belief that in the end all things will be well. How many of us today have that confidence in the Great Universal Plan of the Creator?

"MAN HAS KNOWN for a long time the fixed sequence of star and planet, earth, sun, moon and the tides," he continues. But how can a seed 'know' when to begin to sprout?

"How can sap at the roots of a tree 'know' when comes the proper time to start that mysterious upward movement toward twigs and waiting leaf-bud? What moves a bulb to send up shoots to catch the sunlight and begin to manufacture food for the plant? What mysterious force prompts one seed to wait in its sprouting until all danger of frost is past, while another sprouts at that exact moment its stem and leaf can survive ten degrees of frost, but not 12 or 15?

"We have answers, of a sort, in terms of warmth and length of daylight; but those are, in final examination, observations of response, not of ultimate cause. We have elaborate apparatus to measure sun warmth and soil moisture and even sap pressure, but how does a grass measure such critical conditions? Somehow they are measured by all living things which spread leaves and manufacture chlorophyll. They 'know' when they should respond to the arrival of Spring. Man doesn't know until he has watched a clock and studied a star, and even then his knowledge is approximate at best."

"SURELY it is no accident that the chlorophyll of the leaf and the hemoglobin of the blood are chemically akin. Man is more than a vegetable, but he lives under the same sun as the tree and the vine, and he responds to the seasons, senses them in the very depth of his being, in his blood stream, in his emotions, in the seat of his understanding when he takes time to understand."

"Man's quest for the meaning of his place in the universe has deeper roots than we usually admit. We all

OUT OF THE COBBLE STONES

52 YEARS AGO THIS

WEEK, July 16, 1909 — Rev. George H. Cornell, D. D., has accepted the call to the rectorship of the Church of the Ascension, recently tendered him by the vestry. He now is charge of the Episcopal Church in Orange. Before coming to California a year ago Dr. Cornell held preaching positions of prominence in Iowa and elsewhere in the Midwest.

Owing to ill-health which necessitates the dropping of practically everything but the most pressing business, Secretary A. S. Mead of the Board of Trade presented his resignation at the monthly meeting of the board held on Monday evening. A committee comprising Messrs. J.A. Patterson, J.C. Dickinson and J.A. Osgood will name a candidate as his successor.

20 YEARS AGO THIS

WEEK, July 10, 1941 — Business changes are coming into the downtown district within the next few weeks when Garland's dime store will move to a new location on Kersting Court, relinquishing its present location in the hotel block to the Coronet Five and Ten Cent Co., a newcomer to Sierra Madre. Mr. and Mrs. Garland will occupy the building at 5 Kersting Court connecting both stores with an archway and moving their present dry goods stock into new location in order to make way for their less expensive merchandise. The beauty shop at 5 Kersting Court will move to W. Sierra Madre Blvd.

With the advent of the vacation season, Sierra Madre's Girl Scout Troop 1 had adjourned regular meetings following election of officers who will guide the troop's activities when it reconvenes in the autumn. Going into office are Joan Clement, president; Jean Breton, vice president; Lois Wilson scribe; Betty Tarr, treasurer; Pat Andrews, corresponding secretary; June Wilson, shopper; Shirley Shelvas, historian, and Juanita Thompson, supervisor.

News From Sacramento...

State's Tax Structure Being Eroded

By Henry C. MacArthur
(Capitol News Service—Special to the Sierra Madre News)

SACRAMENTO. — California voters, as usual, can expect a long list of complex proposals from the state on their general election ballot in 1962, in addition to the local propositions which always seem to appear on the ballot.

The 1961 Legislature, which may not have accomplished too much on other things, left Sacramento with 21 measures already slated to be on the general election ballot. Doubtless there will be some more approved at the 1962 legislative session, leaving the voters with even more propositions to attempt to analyze and make intelligent decisions upon.

Of the 21 ballot propositions approved by this year's Legislature, it is interesting to note that seven of them deal directly with tax exemptions in one way or another.

TWO PROVIDE for limiting assessments on the value of property to the use to which the property is put, rather than on the basis of its value as a future subdivision or industrial site.

This was a trend which first was started in 1960 when the voters approved Proposition 6, which limited assessments on non-profit golf courses to the value of the use as a golf course. As many golf courses are situated in the suburban areas of rapidly growing cities, this difference in the tax base is considerable.

One of this year's measures was ACA-4 by Assemblyman Paul J. Lunardi, D-Roseville, which would apply the same principle to agricultural lands. High taxes

need, physically need, a sufficient link with our environment to be at ease in it. Extend and substantiate that ease and you approach the state we should call civilization. Automatic furnaces, automobiles, television and vitrified plumbing no doubt have a purpose in some of the processes of civilization, but only insofar as they provide ease from the vicissitudes of existence and thus give man time to wonder and speculate and explore his own mind and his habitat—to achieve ease and acceptance in his environment."

IN OTHER WORDS — think clearly, trust in God and live well, in the ease of faith.

Sometimes in the deep silence of a summer day, it is good to sit back and ponder soberly and realistically, but refreshingly and hopefully, the reason for mankind and his being here. Borland is one of the poetic realists, who helps us to do so.

11 YEARS AGO THIS

WEEK, July 13, 1950 — Pacific Electric last week asked permission of the state to tear up the PE tracks in Sierra Madre and on seven other rail routes. PE officials petitioned the State Public Utilities Commission for permission to tear out the steel rails on routes where buses are to be substituted for the Big Red cars.

First Lt. David A. Moore of 400 Mariposa, this week was reported missing in action in Korea. The Air Force officer apparently is the first Sierra Madrean lost in the Far Eastern fighting. The officer returned to active duty with the Air Force in April of 1947. He had been serving in Korea for the past three months.

6 YEARS AGO THIS

WEEK, July 14, 1955 — Frazier Dougherty of the Sierra Madre Youth Activities Association, has announced formation of a six-member advisory committee to the Association. This representative group includes the following: A. E. Morgan, vice president of the Bank of Sierra Madre; Milton L. Goldberg, professional youth consultant; Rev. George W. Lindsay, minister, First Congregational Church; Police Chief Gordon G. McMillan; Philip Twitchell, city recreational director, and Mrs. Edith T. Dane, liaison with the Sierra Madre Community Coordinating Council. The Youth Activities Association with whom the above group will work, sponsors the Semanos, local teenagers group.

Elizabeth Dalley, daughter of Mr. and Mrs. Mark Dalley of 162 E. Alegria, recently returned from Europe where she has been teaching at the Air Force Dependents' School at Laon Air Force Base in Laon, France. She will leave next month for Madrid, Spain, where she will teach the dependents of the Air Force in the Armed Forces School.

Angeles, originally would have permitted all country boards of supervisors to appoint tax appeals board. As finally approved, the measure is limited to Los Angeles and Contra Costa county.

Thus the pattern contained in all but the latter of the ballot propositions is one of continued piecemeal erosion of the property tax base by extending exemptions of one kind or another. All are vital to certain groups but, taken collectively along with others approved, it provides a confusing picture and one which cannot help but continue to push tax rates ever upward.

Some day, perhaps a courageous Governor or Legislature will revise the whole tax structure, eliminating many exemptions and putting others in their proper place. But don't hold your breath waiting for this to happen.

Letter to The Editor

Dear Editor:

May I compliment you on that magnificent editorial, "Time For All-American Campuses in Our Country," which I have just seen.

In my judgment, it's time for all Americans to unite in a crusade against Communist conspiracy. It's time for all Americans, dedicated to fairness and willingness always to hear "the other side," to question whether the issue against a conspiracy advocating the overthrow of our government by force and violence has, indeed, an "other side."

You have ably documented your editorial, and I congratulate you.

— Edgar W. Hiestand, M.C.

Dear Editor:

We, the members of the Sierra Madre Civic Club, wish to thank you for your consistent news coverage of the club's activities.

Your recent editorial was greatly appreciated, and will serve as a constant reminder to us that our main function is that of rendering service to our community.

Your sincere interest in the welfare of Sierra Madre is obvious, and contributes greatly to the value of the Sierra Madre News.

— Mrs. Keith H. Moses, Corresponding Secretary.

Dear Editor:

The necessity of working for the upbuilding of the home community should be apparent to everyone. The growth and development of each community adds to the prosperity of all. By helping your neighbor, you help yourself, and nothing contributes more to human happiness than a growing, prosperous community where all are willing to do their part.

ity, and a building up of the home trade.

Our community richly deserves the confidence of our merchants. Nobody is going to push this city except the citizens themselves. To expect this help from outside is futile.

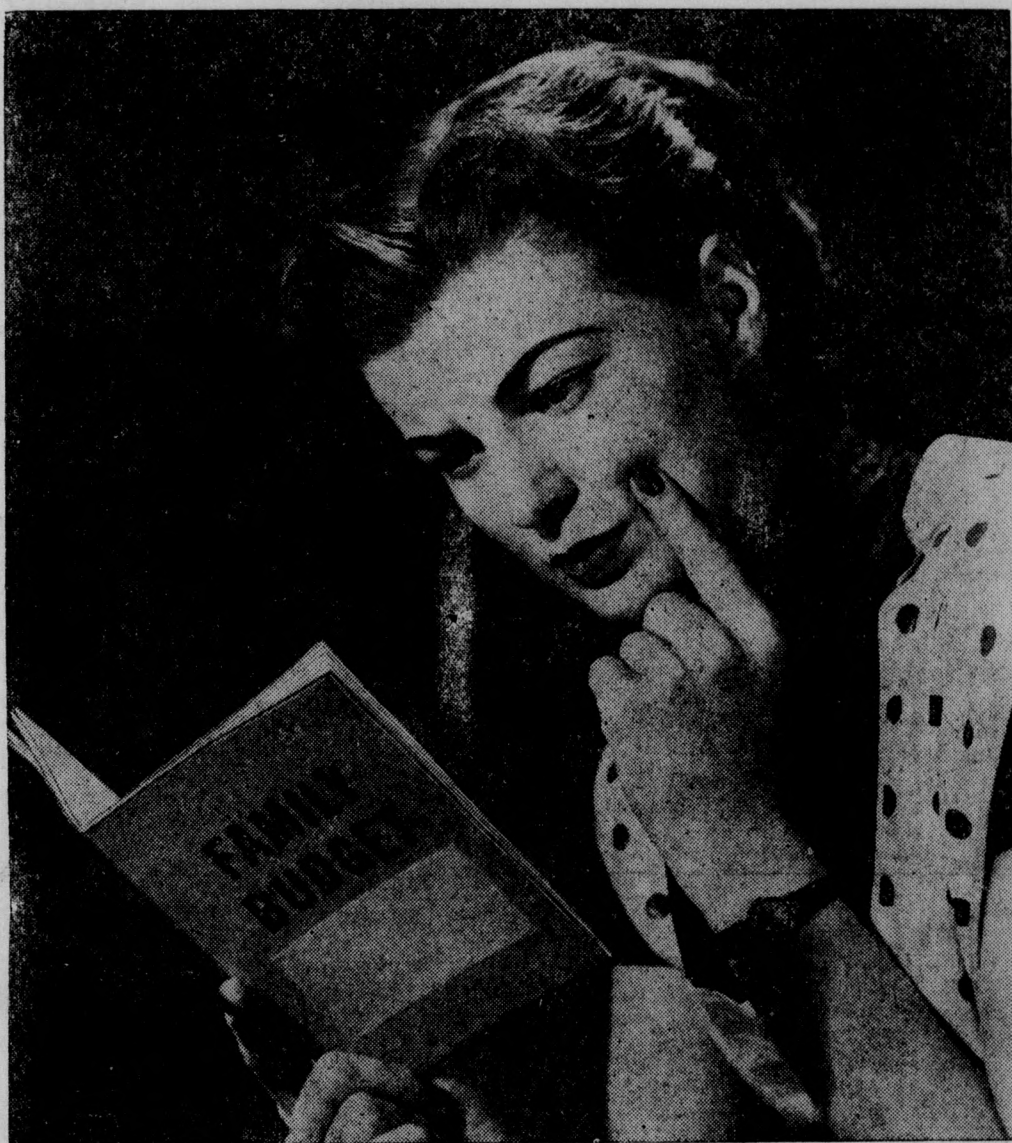

The lines of merchandise carried by our merchants are most complete — they are bought from the best wholesale markets and sold at prices that entitle Sierra Madre merchants to the trade at this community.

WHEN PLANNING FAMILY BUDGET

In preparing the family financial budget it is important to allot sums to the different items in direct relation to their importance, and to make sure that we do not let over indulgence influence us in our planning.

Also, in budgeting the hours of the week, month and year, for the building of a rich, well rounded life we must not be niggardly in the portion of time we allot to the Church—where our spiritual lives are to be trained and nurtured. The oft quoted statement that "we get out of anything in proportion to what we put into it," certainly holds true for the building of a faith as much as it does for material things.

If we give freely of our attendance and service to the church we will rejoice and be rewarded in leading peaceful, worthwhile lives. We will draw from our Church in proportion to what we give it.

With the hope that it will, in some measure, foster and help sustain that which is good in family and community life, this feature is sponsored by the business firms and organizations whose names appear in this space.

'Handwriting on the Wall' Is Timely Topic Chosen For Sermon by Rev. Hesse

"The Handwriting on the Wall," a message from the fifth chapter of the Book of Daniel, will be Rev. Armin Hesse's sermon subject next Sunday morning in the 9 and 10:30 o'clock worship services at Faith Lutheran Church, 835 Hastings Ranch Dr.

Concerning this message, Rev. Hesse says that "the country of Babylon, under King Belshazzar, gives us a good glimpse of a mighty nation before its disintegration and subjugation. Morality hits a new low; indulgence in boisterous festivities reaches an all-time high.

"We often use the expression, 'Read the handwriting on the wall.' Do we realize that the fingers of God are writing today? In the throne room of Belshazzar, which archaeologists have excavated, they once wrote only four words, but they were words full of meaning. These four words need to confront every resident of our metropolitan community and every citizen of the United States."

THE LADIES of Faith Lutheran's Missionary League have accepted the invitation to attend the mission presentation of Rev. Hugh Auw of Japan, to be given next Tuesday at 1 p.m. at Mt. Olive Lutheran Church, 1118 N. Allen, Pasadena. The missionary is currently on a vacation-furlough from his work in Sapporo, Hokkaido, Japan.

The young people of the church will participate in the zone Waltham League beach party, to be held at Huntington Beach next Sunday afternoon beginning at 1:30.

'Clap Hands' Theme for Rev. Hansen

New members will be received into Shepherd of the Hills Lutheran Church, 33 W. Sierra Madre Blvd., Sierra Madre, at 10:10 a.m. next Sunday.

"Clap Your Hands" will be the sermon topic of Rev. Ray E. Hansen. "While people today seldom applaud in a worship service, the Bible often refers to hand clapping as a way of expressing joy," the pastor will say. "We clap hands because we are stirred and happy inside. We should always feel this thankful for what Jesus does for us."

THE SERMON will be based on the miraculous feeding of the thousands by Christ, pointing out His concern for all peoples at all times.

The air cooler used during the worship and Sunday School at 9 a.m. in the summer keeps the temperature in the 70's for the comfort of children and adults.

Welcome Night For Rabbi Angel

Rabbi Camillus Angel, new spiritual leader of Temple Beth David of the San Gabriel Valley, will conduct the regular Friday evening services on July 14, at 8 o'clock.

July 14 has been designated as the official welcome night for the rabbi and his family, and it is felt every member of the congregation and friends will wish to be present at this service.

'Improving Your Life' Is Her Topic

"How to Improve Your Affairs" is sermon topic of Dr. Ethel Barnhart, minister of the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia, at the 10 o'clock worship service July 16. Child care is provided.

Children from pre-school through 8th grade meet at 10 a.m. Sunday morning. Two youth groups, high school age and one for young adults from 17 through 21, meet at 7:30 p.m.

Wednesday morning at 10:30 o'clock, Mrs. Rosalie Fowler conducts a healing meeting where prayer is given for special requests.

THE SANTA ANITA Church Day School, a public school meeting all the requirements of the California State Department of Education, is now taking enrollments for the fall term, beginning in September. This school, located at 226 W. Colorado Blvd., Arcadia, offers your child the finest in academic, cultural and spiritual training with the focus upon individual creativity.

Please enroll early as the classes which include 1st through 6th grade are limited. Applications for enrollment will be mailed to you. For further information, call Dr. Barnhart at HI. 6-6206.

For prayer day or night, avail yourself of our telephone ministry by dialing Hillcrest 6-8206.

Lecture on Investment

The last survey conducted by the Brookings Institute indicated that 93 per cent of American citizens are without classroom instruction in economics.

Edwin Bowman, director of the department of investment and estate programming of Cooper-Matthews, Whittier investment firm, believes, however, that there is evidence of the people's desire "to know" about investment policies. This, he adds, is especially true in the comparative value of the dollar and what it buys today, as against its purchasing power in former years.

In addition to providing direct mail communication with its offices at 243 W. Philadelphia St., Whittier (Phone OXbow 8-0311 or Raymond 3-8818), the company has arranged for a free lecture at the Woman's Clubhouse, 270 W. Sierra Madre Blvd., Sierra Madre, Thursday night, July 20, at 7:30 o'clock. Refreshments will be served.

Dr. Keefer Will Speak At Bethany

In the absence of Dr. Robert N. Schaper, pastor of Bethany Church of Sierra Madre, Dr. Karl Keefer will speak on Sunday evening, July 16. Dr. Keefer is presently dean of Bryan College of Dayton, Tenn. He was formerly dean of fine arts at Bob Jones University, Greenville, South Carolina. He was formerly associated with Dr. Schaper at Bob Jones University and is renewing friendship while here.

DR. SCHAPER will be speaking at the Forest Home Music Conference, beginning July 16. He urges friends and interested people to come at 7 o'clock Sunday evening to hear this interesting guest minister. The church is at Baldwin and Montecito, just north of Sierra Madre Blvd.

NEW OFFICERS of the Women of the Church, recently installed by Rev. Ray E. Hansen, pastor of Shepherd of the Hills Lutheran Church, are, seated left to right: Mrs. William Haines, Monrovia, Evening Circle chairman; Mrs. Edwin H. Galtchut, Arcadia, secretary; Mrs. Robert E. Vogel, Arcadia, president; and Mrs. Herbert I. Chambers, Arcadia, vice president. Standing, left to right, are Mrs. John Hoffman, Arcadia, Morning Circle chairman; Mrs. Charles Ferguson, Hastings Ranch, Christian service chairman; and Mrs. E. A. Eckstein, Hastings Ranch, membership chairman. Mrs. Frank M. Mosier, not in picture, is treasurer.

Bethany Notes

THE NEW MINISTER of Education at Bethany Church, Rev. Harold Ankeny, will attend the Forest Home Conference on Sunday School Conference and Leadership Seminar sponsored by the Gospel Light Publications of Glendale.

The conference began Sunday night, July 9, and continues throughout the week. Rev. Ankeny will return home Thursday night. Forest Home is the well known conference center 80 miles east of Los Angeles in the San Bernardino Mountains.

THE SEVEN-UP CLUB, the summer club for all young people from the 7th grade on up, met Tuesday night, July 11, at 7 o'clock at Bethany Church, then went for an evening of miniature golf.

This club meets every Tuesday evening throughout the summer, providing recreation for the young people of the church. The group is directed by Ernie Richter who invites all young people to attend.

THE MARINERS Sunday School Class of Bethany Church is sponsoring a beach party at Huntington Beach State Park on Saturday, July 15. Members of the class join the group at their convenience throughout the day.

The class is taught by Rev. Hugh Bell Jr., who is associated with Mission Aides, located in Sierra Madre. Mr. and Mrs. Ed Everset are in charge of arrangements for the outing, assisted by the class president, Odie Pearce.

BETHANY REPORTS the arrival of the following: Brenda Joyce, born May 5 to Phyllis and Sjoerd Kiers; Amy Ann, born May 14 to

born to Trinity Church families recently. Becky Lynn Babcock was born May 16 to Mr. and Mrs. Robert Hancock, and Mary Elizabeth May advented on June 6, the daughter of Mr. and Mrs. James May.

THREE YOUNG members of Trinity Church have been married during the past month. Richard Faust was married to Linda Jean Ellis; Karen Schmidt to Dr. Robert Ryan, and James Piper took Sandra Coates as his bride.

DEACONESSES of Trinity Presbyterian meet next on Sept. 15 at the home of Mrs. L. H. Pursley. Mrs. J. Howard Stoner will give the devotional.

THE CLIPPERS plan a progressive dinner on July 22, with the Brannons (Laura and Wayne), the Campbells (Margie and Bob), and the Joneses (Jane and Bob) as hosts.

On Aug. 19 they will have their annual luau and swim party at the home of Kay and Roy Samson.

THE SCHOONERS plan a cook-out swim party at the home of Sue and Joe Cummins on July 22.

Aug. 19 will be an outing for the whole family at Hollywood Bowl to hear the Lerner-Loew concert, with music by Johnny Greene.

VOYAGERS will have a Hobo Party on Saturday, July 29, at the Preston's on South Mountain Trail, Sierra Madre.

TRINITY'S annual fiesta has a new name this year; it has been renamed the "Fall Festival." Sept. 30 has been designated as the evening on which it will be held.

The "Festival" promises to be the most elaborate and exciting one yet held at Trinity. There will be the traditional dinner and food booths. The familiar games and dances. Plus a stage show which will have several runs during the evening. Plus folk, rock and roll, and ballroom dancing. Also movies, puppet show, and many other forms of entertainment.

BY THE MIDDLE of July the remodeling of Hasting facilities will be completed and the church school will have five new classrooms for this coming fall. This will provide much needed space. Two of the new classrooms will be located in Fel-

Babe Ruth League Finals On Schedule

The Babe Ruth baseball teams continue to slug it out as they approach the final games today; Monday, July 17, and Tuesday, July 18, at Sierra Mesa Field. Game time is 5:30 p.m. The Giants have taken over the lead by winning both their games last week, while the White Sox trail in second place, and the Cardinals sink to the cellar.

After playing 12 games, and at bat 25 times, top hitting honors go to R. Meason, Cardinals, .464; T. Andrews, Giants, .457; J. McRoberts, White Sox, .394; J. Chavarria, White Sox, .393; E. Castagna, Giants, .375; M. Menne, White Sox, .370; U. Paulus, Senators, .361; F. Graham, Giants, .357; M. Winfrey, Cardinals, .334, and M. Ward, Senators, .300.

Terry D. Goddard Weds on July 22

Wedding plans for Sylvia Elaine Haines, daughter of Mr. and Mrs. Haines of Montebello, and Harry Derwood Goddard, son of Mr. and Mrs. Harold W. Goddard of 685 N. Auburn, are announced by the Haineses. They will wed on July 22 at 8 p.m. in the Chapel of Roses.

Miss Haines was graduated from Montebello High School and Pasadena City College. She is affiliated with Gamma Iota Chi. Mr. Goddard is a graduate from Pasadena High School, PCC, and is affiliated with Rho Epsilon Xi.

East-West Will Tangle In Gold Cup

Hollywood Park's 22nd running of the \$162,100 Hollywood Gold Cup next Saturday (July 15) again will feature a battle between eastern and western owned handicap stars.

The famed mile and one-quarter classic, which has become known as the "Race of Champions," has been won in the past by such greats of the turf as Seabiscuit, Kiyak II, Challedon, Citation, Two Lea, Swaps, Hillsdale, Gallant Man and the money-winning king of the world, Round Table.

From the East this year comes Elmendorf's Nicky Boy, a hard hitting gelding, who finished second to Kelso, the 1960 "Horse of the Year," in the mile and one-quarter Suburban Handicap at Aqueduct on July Fourth.

IN THE GOLD CUP he will tangle with the horses that finished so close together in the \$55,850 American Handicap that a blanket would almost have covered the first six horses across the line—the Kerr Stable's Prince Blessed, Mrs. Ronnie Ring's Dress Up, Wonder Y Ranch's Sea Orbit, High Tide Stable's Whodunit, R. K. Polimer's Turin and Greenville Farm's First Balcony.

An aerial invasion of the West is nothing new to Nickel Boy. He was flown out from Detroit last year to run second to C. V. Whitney's Dotted Swiss in the \$109,200 Sunset Handicap a mile and five-eighths.

Lt. Curry Wins Infantry Medal

Army 2nd Lt. Weldon K. Curry, 22, son of Mr. and Mrs. Weldon L. Curry, 451 N. Baldwin, Sierra Madre, recently was awarded the Expert Infantryman's Badge, the Army's highest peacetime proficiency award for skilled and combat ready infantrymen.

He is presently assigned to the 101st Airborne Division's 327th Infantry at Fort Campbell, Ky. A platoon leader in the infantry's Co. A, Lt. Curry entered the Army in May 1960. His wife, Della, is with him at Fort Campbell.

Brakes Fail; Crash Hurts 2 Children

Two youngsters were injured when a car driven by their mother went out of control in front of the Ostr Nursery at 321 W. Sierra Madre Blvd., and crashed into the rear of a parked truck.

Injured were Louis Jerome Hill and his sister, Bridget Rosetta Hill, children of Mr. and Mrs. Martin G. (Betty Ann) Hill of 528 N. Wilson.

The car was going east on Sierra Madre Blvd. when, police report, Mrs. Hill suddenly found that her brakes would not work, and hit the truck.

The children were thrown heavily against the dashboard. Louis suffered a deep cut over the right eye which required four stitches and also a severe bump on the forehead. They were treated at Sierra Madre Community Hospital by Dr. Harold Axelrod.

City's Share of Auto Fees Is \$46,761

Sierra Madre's share of the \$27,508,814 appointment of motor vehicle license fees as the 1960-61 fiscal year came to a close was \$46,761.46, according to State Controller Alan Cranston.

Of this \$35,464 was paid in April, leaving a June payment of \$11,297.46.

Atlas Again Pays Current Dividend

Roger A. Gurley, secretary, manager of Atlas Federal Savings and Loan Association, announces the second quarterly dividend payment of the year. This came in conjunction with the association's 25th anniversary celebration.

Gurley indicated that the dividend declared by the Board of Directors again will be paid at the rate of 4 1/2 per cent per annum. Total dividend, another record high for Atlas Federal, is being paid or credited as of the opening of business June 30 to all savings account holders.

Six Months Show Boost In Building

Building permits, both for the year thus far and for June, show an appreciable increase, according to the report of Boyd Smith and Rosaline Moore of the Sierra Madre Building and License Office.

Permits for the first six months this year totaled \$1,352,526, compared with \$1,123,761 for the corresponding period a year ago, an increase of \$228,765.

Permits for June totaled \$388,330, compared with \$121,730 for June a year ago. June construction includes 32 dwelling units, also an educational building and fire station, all valued at \$362,750.

Death Summons G. M. McRoberts

George M. McRoberts Jr., who came to Sierra Madre in 1920 and who had lived with his family at 536 W. Highland Ave. for 30 years, passed away on June 18 at the Veterans Hospital in Sawtelle. A private military service was held at the chapel in the nearby cemetery.

Mr. McRoberts, a native of Kentucky, was a member of Sigma Chi Fraternity. He leaves his wife, Evelyn B. McRoberts, and two sons, George of Bradbury Estates and John at home. He also was the father of Capt. James H. McRoberts, United States Marine Corps, who died in Korea in 1950. There also are five grandchildren, James and Jack, sons of James and Molly, and Samuel and Charles, children of George.
